

PNC Center at One Cascade Plaza (140 South Main for internet directions) is the tall brown building on the corner of South Main and Bowery Streets.

There are meters located on Bowery Street, but they are only 30 minute meters. The best parking location is The Cascade Parking Garage. The entrance to the Cascade Garage is on Mill Street. The first hour of parking is free.

To get to Mill Street from West Market, make a right turn onto South Main Street at the light. The first street will be Mill Street, turn right. You will see an overhead pedestrian bridge, immediately get in the left lane. There will be a left turn light for the garage entrance under the bridge. Reverse directions from East Market.

Once inside the garage, pull a ticket. Go straight ahead up the small ramp/incline. At the top of the ramp/incline, to your left will be the Orange Section Level 2 with One Cascade's visitor's parking. **If there is no parking available in this section, see below.**

After parking you will see a set of glass doors. Go through those doors and to your right there will be a set of elevators. Press the "UP" button. You need to go to the Level 1.

Once exiting the elevator, there will be another set of glass doors to your left, go through those doors. You will see an Orange sign for One Cascade pointing to the right – you veer to the right instead of an actual complete turn. You will see a 3rd set of glass doors. Walk down to those doors and go through. There will be a set of stairs and an escalator. They will take you up to the One Cascade lobby. Take the 2nd set of elevators to the 17th floor or ask the security guard if you are unsure of which set of elevators to use.
