

# Surface Transportation Block Grant

## Project Application

**Due Friday November 3, 2023; Please email completed applications to [aprater@akronohio.gov](mailto:aprater@akronohio.gov)**

STBG Funding can be used for a wide variety of projects including highways, transit and bicycle and pedestrian facilities that are consistent with the AMATS Regional Transportation Plan. STBG funds can be used on any functionally classified road from urban minor collector/rural major collector or higher, and bridge projects on any road.

STBG funds can be used for right of way and construction.

Local legislation showing support of local match due with application. Exceptions may be granted on a case by case basis.

Maximum STBG project request is \$6,000,000.

**Minimum local match is 20% but may be reduced to 10% if participating in the Project Delivery Incentive Program (PDIP).**

**PDIP requires STBG projects PS&E submitted to ODOT within four years of award.**

Project Sale				
Begin Construction				
<p><u>Project Delays</u> – projects that are delayed or cancelled will be re-evaluated based on the following principles:</p> <p>a. If a project is delayed due to the lack of programmed federal funds, the project will be rescheduled as soon as funds become available.</p> <p>b. If a project is delayed due to the project sponsor, the project may be cancelled or rescheduled at a later time so as not to impact or jeopardize other projects that have met their schedules.</p> <p><u>Major Changes to Project Funding</u> – Projects which have already received federal STBG funds through AMATS are not eligible to apply for additional STBG funds through AMATS' normal application cycle. If additional funding for a project is necessary a request must be made to the AMATS Staff and will be reviewed by the TAC TIP Subcommittee, TAC and Policy Committee, with the Policy Committee having final decision-making authority.</p>				

**Anticipated Funding Requirements** (Maximum STBG project request is \$6,000,000)
